

Your capability to speak on familiar topics along with your ability to verbally summarize information is assessed in TOEFL speaking test. The speaking test is divided into two sections: the independent and integrated speaking tasks.

Task	Response Time
Independent Speaking	45 Seconds
Integrated Speaking	60 econds

- **Independent Speaking Task:**

Independent speaking task is the first question of your speaking test. Your skill to develop your own ideas, opinions and experiences when you respond will be tested.

- **Integrated Speaking Task:**

Rest of the three questions is called "integrated speaking tasks" because they require you to combine your English-language skills — listening and speaking, or listening, reading and speaking.
